

All Mentors Will:

1. Help students learn, have fun and get excited about STEM
2. Need to complete the FIRST registration and Youth Protection Guidelines which allows you to be alone with students.
3. Have a helpful, kind and energetic behavior.
4. Need to be teaching students using strategies/interventions that follow an individual learning plan or tutoring.
5. Need to follow through, attend all WED/SAT mandatory meetings and be on time.
6. Be AED/CPR/First Aid Certified
7. Be an active Level 2 volunteer
8. Train students to be prepared for the FRC season
9. Communicate with students regularly and report back to team assistant coaches and head coach weekly.
10. Attend competitions if possible to boost student morale
11. Communicate with and follow team coaches when in doubt
12. Assist all sub teams to complete daily/weekly reports and give to Chairman's team.
13. Work with Chairman's Team as an integral part of your team
14. Manage, guide and lead your team effectively and proactively to meet deliverable due dates
15. Follow a Gant Chart or schedule
